World Embassy Director: A Guide to the World's Embassies, Chimezia Ezenwa, Teach Services, 1993, 0963771027, 9780963771025, . Increasingly the world shrinks, enhancing the need for easy access to international reference information. Heightened travel & new trade networks require awareness of inter-country links. The directory presents a list of over 7,000 embassies for 180 plus countries. Entries include walk up & mailing addresses, telephone, telex & fax numbers, as well as the status of the prominent official (i.e., Ambassador, Charge d'Affaires, High Commissioner). The directory also contains a unique cross-reference section revealing the location & number of each country's embassies around the globe. This allows easy location of a desired country's embassies abroad. In addition the directory lists contact information on the United Nations, the World Bank, OECD & other major international organizations & their offices worldwide.
